About The Jumping Frog by Mark Twain  
The Jumping Frog is an 1865 story by Mark Twain. It was his first great success as a writer and brought him national attention. In it, the narrator retells a story he heard from a bartender, Simon Wheeler, at the Angels Hotel in Angels Camp, California, about the gambler Jim Smiley. The narrator describes him: "If he even seen a straddle bug start to go anywheres, he would bet you how long it would take him to get to wherever he going to, and if you took him up, he would foller that straddle bug to Mexico but what he would find out where he was bound for and how long he was on the road." Biographie de l'auteur

Samuel Langhorne Clemens (November 30, 1835 — April 21, 1910), better known by the pen name Mark Twain, was an American humorist, satirist, writer, and lecturer. Twain is most noted for his novels *Adventures of Huckleberry Finn*, which has since been called the Great American Novel, and *The Adventures of Tom Sawyer*. He is also known for his quotations. During his lifetime, Clemens became a friend to presidents, artists, leading industrialists, and European royalty. Clemens enjoyed immense public popularity, and his keen wit and incisive satire earned him praise from both critics and peers. American author William Faulkner called Twain "the father of American literature."
