### Présentation de l'éditeur

When Maxime Gaillard opened a small bistro at 3 rue Royale, his restaurant was soon discovered by the star socialite of the moment, Irma de Montigny, who launched it as a center of Parisian nightlife. A masterpiece of Art Nouveau architecture and design, Maxim's remains faithful to this period and continues to be a symbol of Parisian luxury life, mixing crowned heads, heirs and millionaires, top artists, and current beauties since it opened its doors. On the occasion of the twenty-fifth anniversary of the restaurant's latest proprietorship, by the iconic designer Pierre Cardin, Jean-Pascal Hesse tells us the fascinating story of this legendary place. The book also features a selection of Maxim's most successful recipes, with accompanying illustrations.
