The History of a Swedish Farmer's Lineage as Seen from a Race-Biological Stand-Point (Paperback) - Common By (author) Herman Bernhard Lundborg

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continu...
